

VENTNOR TOWN COUNCIL

DESTINATION VENTNOR

RETURNED PRE-PAID CARDS

The copies of *Destination Ventnor* delivered to the town's 3,595 households contained a pre-paid reply card.

The Town Council is investigating the potential for pedestrianising the High Street between Church Street & Spring Hill.

We now want to test the level of support for continuing with the work necessary to develop a full scheme with its costs & possible funding (for further consultation).

Do you support the Town Council in continuing with the project?
