SHORE ROAD TOILETS

24 DECEMBER 2015

TERM OF LEASE	125 years
START DATE	29 February 2012
END DATE	28 February 2137
RENT	£1

- The Town Council was able to take on the lease for the Shore Road Public Toilets in Bonchurch during the first round of lowWC cuts in funding for the Island's Public Toilets in 2012 due to the offer of a local family to take on the cleaning of them on a volunteer basis.
 - This arrangement has reduced the annual cost to the Precept to a Budget provision of £1,400.
 - That offer is still working and achieving the high standards of cleanliness VTC is determined to see applied to the other remaining Public Toilets in the town.
 - Those are on the Esplanade, in Marlborough Road and in Ventnor Park – the subject of another Update in the series that resumes on Sunday.
